Public and Board Comments:

All present were in agreement with the need to have updated maps to determine flood plains.

After the Open House May 25,2011 townships will only have 90 days to present new maps to FEMA.

Suggestion was made to have a Flood Plain Committee and will be discussed at regular Board Meeting on May 9, 2011.

Adjournment: 7:30AM

Respectfully submitted:

Barb Johnston, Deputy Clerk
